CareCap works for those situations where you need to make one, two or three payments to the office. We set up your account and away you go! CareCap takes care of the rest!

Patient/Guarantor agrees to and understands the following:

- ✓ Patient portion payments are due at your appointment unless you speak to us at least 24 hrs before your appointment. Even if you don't please ask us, we are here to help you.
- ✓ As a continued service to our patients, we will contact your insurance carrier for your dental benefits. However, we are not responsible for any incorrect or incomplete information given to us by the insurance carrier. We do not have access to information from other offices you have visited or insurance payments in process from other offices through your carrier. It can be a bummer but are here to help!
